

Inter-University Centre for Astronomy and Astrophysics
National Centre for Radio Astrophysics (NCRA-TIFR)

13th RADIO ASTRONOMY WINTER SCHOOL 2020

with support from the PMMMNTT scheme
(for 2nd and 3rd-year of B.Sc./B.S./
integrated M.S./ integrated M.Sc./B.E./
B.Tech. students and faculty mentors)

Last date of registration: 15th December 2020

Starting date of school: 28th December 2020

Ending date of school: 9th January 2021

Radio Astronomy Winter School (RAWS 2020) is being organized online due to the ongoing pandemic, where a teacher mentor and students will work together in teams on the following activities.

- Doing simple hands-on radio astronomy related experiments at home using material available at home
- Playing around with data from the Giant Metrewave Radio Telescope & Ooty Radio Telescope to understand basic concepts of radio astronomy
- Participating in a set of lectures on radio astronomy
